VOL. LXXXV. NUMBER 16

Bomb Threat, Student Walk-Out Closes School

Striking teachers picket Antioch High School. The teachers walked out on Monday after the two factions failed to negotiate a contract.

The strike of Antioch High School teachers entered its fourth day with no sign of being settled soon.

Antioch High School was closed Wednesday morning by a bomb threat after several students walked out in support of the teachers.

Police from Antioch, State Police, and sheriff's deputies searched the building but no bomb was found.

The threat was received by telephone at 8:50 a.m. and school administrators ordered the building evacuated.

This followed a walk-out of a number of students who left their classrooms about 7:50 a.m. School officials closed the school for the day, but said that classes will be resumed today (Thursday).

A meeting between the two factions is scheduled for today (Thursday) but it is not known at this time if it will come off.

Meanwhile, picket lines of striking teachers have been thrown up about the school and substitute teachers have been brought in to aid in keeping the school functioning.

Students are going to classes on half-day schedules.

The teachers voted the walk-out last Friday, putting on a united front, by a vote of 70 to 0.

Negotiations over the weekend failed to resolve the main issue in the walkout, the retention of the salary index, which the teachers say is a must.

The Antioch High School board of education held an emergency meeting Monday night, but board president William Brook would not disclose the results of the meeting.

The board met again Wednesday noon at the high school with its professional negotiator, Richard Zwieback.

Brook pointed out that the negotiators have been meeting regularly on Thursday and presumed that the meeting was still on. He said the board negotiator would be prepared to resume talks at that time.

The faculty contracts expired last June and the teachers re-

(Continued on page two)

State Okay Sought On Sewer Project

Antioch Village Engineer Frank Angelotti was authorized Tuesday night to submit plans to the Illinois Department of Public Works for its approval in the installation of a storm sewer line to relieve flooding in the Boy Scout House area on the east side of Main Street.

The go ahead was given Angelotti by the trustees at their meeting after he outlined a program to rid the area which has been one of two places that has collected water after heavy rains.

Estimated cost of the project

is \$42,303, and would be paid from motor fuel tax funds.

Angelotti also proposed a plan to correct a flooding problem in the Parkway Avenue neighborhood, south of North Avenue, but the trustees were in agreement to move with the program under a two phase plan, with the Scout House area getting the preference.

The reason given was money. Angelotti suggested that bonds be issued and that they be redeemed as motor fuel tax money became available each month. Estimate of the money the village has in motor fuel tax money was not available.

"I don't think we have any other choice than to go ahead with clearing up the problem at the Scout House," said Village Mayor Raymond Toft.

Some of the trustees queried Angelotti as to whether the village could get some state or federal aid for the project.

Village attorney Edward Jacobs said it was not probable that any money could be obtained for the first of the two phase program.

Village Trustee George Bart-

lett suggested that the village apply for federal aid. "Such villages as Lake Zurich and Wauconda have been getting help for their programs," he said. "I don't see why we should not make an application to get on the list of villages and cities seeking assistance."

"I'd like to see our village get on the list," Trustee Vern L. Barnstable said.

Angelotti estimated that it would take several weeks before he learned whether the state has approved his plan for the new storm sewer to be paid for from motor fuel tax money.

The proposal to apply was approved 6 to 0.

The trustees learned from the Illinois Department of Public Works that the stop lights at Rtes. 83 and 59 were not operating efficiently and it would be necessary to install pushbutton outlets that will allow the pedestrian to actuate the walk signal at the intersection.

Installation of the pushbutton and the two pushbutton posts will have to be paid for by the village. Village Clerk Marilyn Sterbenz was ordered to write state

officials to inform them that the village has contacted its village contractor on the traffic signal to conform with the state's request.

New sewer and water lines have been completed near St. Peter's Church, but the village is planning a television inspection of the underground lines to see if they pass all village requirements before they are accepted.

Robinson and Brock Construction Co. of Gurnee was the contractor.

The trustees voted to pay the firm \$18,500 and is withholding 20 per cent of the contract price of more than \$22,000, until the sewer lines pass the tests.

Public Works Superintendent Charles Mapleshorpe said in his monthly report that the village had 14 inches of rain last month. He noted that 16,212,000 gallons of water was pumped last month. The daily average was 540,000.

The police department last month issued 128 parking tickets, 70 traffic tickets and investigated 14 vehicle accidents.

Other police activity in September were one case of vandalism, one stolen car, five burglaries,

(Continued on page three)

Lions Expand Aid To Visually Handicapped

On Friday, October 9th, more than 27,000 Illinois Lions will be exchanging candy rolls for contributions for the sightless.

Wearing the familiar yellow caps and aprons, Lions from all walks of life will be donating their time and efforts to achieve the statewide goal of \$700,000 on the one-day, give-away Illinois LIONS CANDY DAY for the BLIND. Locally or internationally, these Lions have one goal in mind — to help those less fortunate than themselves.

Since its inception in 1952, Illinois Lions Candy Day for the Blind has distributed more than \$5,500,000 to agencies serving the visually handicapped.

Of this amount, significant support is directed to the five primary projects of the Lions Clubs — HADLEY SCHOOL for the BLIND; LEADER DOGS for the BLIND; Illinois Camp Lions for Visually Handicapped Children; Dialogue, a recorded magazine; and the Illinois Society for the Prevention of Blindness.

Increased participation in Lions Candy Day enlarges the size and effectiveness of the five major projects toward the goal of expanded services for the blind and visually handicapped.

Last year, educational services at Hadley School increased ten per cent. Besides offering new courses in their education curriculum, Hadley is expanding their research into electronic devices for reading and traveling, promising exciting new opportunities and advantages for the visually handicapped.

LEADER DOGS for the BLIND, in Rochester, Michigan, has enlarged their facilities because of the tremendous demand by the blind for guide dog travel.

Last year, Leader trained and

graduated more new students with their canine companions than any comparable organization in the world, thus affording increased mobility and opportunities for the sightless.

Candy Day contributions are a significant factor toward the operation and maintenance of Illinois Camp Lions for Visually Handicapped Children, located at Hastings Lake, Illinois. This important recreational facility provides two weeks of indoor and outdoor activities specifically designed for youth with visual handicaps.

A comprehensive analysis of contemporary world events is provided the sightless through the quarterly publication of Dialogue, a recorded magazine, written and edited by the blind for the blind. Financial assistance by Illinois Lions through Candy Day contributions help maintain and enlarge this important vehicle designed to keep the sightless in the mainstream of society through the understanding of world events.

Lions Candy Day funds are instrumental in the support of the Illinois Society for the Prevention of Blindness, a facility active in the most vital programs of Sight Conservation and Restoration. Contributions directed to this important facility help maintain and support the operation of the Lions Mobile Glaucoma Screening Unit. Last year alone, the unit screened more than 38,495 people, of which 170 cases of glaucoma were detected.

Candy Day contributions help support the Illinois Eye Bank. Lions were the instigators in setting up the first eye banks in the United States, and more than half of the cornea transplant banks are sponsored by Lions. As

an adjunct to these banks, enterprising Lions set up an Eye Bank Network which operates in more than 80 cities.

This Network provides swift help in emergencies as proven by the Vietnam veteran whose sight was saved by the prompt receipt of a human eye from a Lions Eye Bank through a radioed request passed through this Network. Only 24 hours elapsed from the time doctors radioed their request for a replacement eye until the needed material was received.

Candy Day contributions also help with many community services for the sightless. These include eye surgery — glaucoma screening — braille writers — tape recorders — magnetic tapes — and transportation.

Through study and surveys made possible by Candy Day funds, a new understanding of the unique qualifications of the blind for certain areas of employment has resulted in increased earning power and confidence for the sightless. Experience has shown that by virtue of the qualities developed in coping with sightlessness, namely a high degree of personal organization and a well-developed memory, the field of computer programming is fast becoming recognized as an area in which the blind are excelling.

The very core of the Lions' creed is "Service for Others." Thousands of man hours are unselfishly poured into the success of Lions Candy Day for the Blind. The results of this effort are expanded opportunity for an ever-growing segment of the State's visually handicapped. As the collections grow, so grows the capacity to assist more of the

(Continued on page two)

Buffet, Fashion Show Set

No matter what length you prefer, your hemline, the Godey Girls of Antioch will be sure to have a length that pleases you at the tenth annual Feast and Fashion DeLuxe Dessert Buffet and Style Show.

This annual event will be held at 7:30 p.m. in Wesley Hall at the United Methodist Church of Antioch on Wednesday, October 14.

This year the Wesley Evening Circle is presenting a fall and winter fashion show featuring many "one of a kind" dresses and ensembles which will be modeled by the Godey Girls' own models. This dress shop, formerly in Wilmet, is now located at 922 Main St., Antioch.

In addition to beautiful up to date fashions, deluxe homemade desserts of all types, coffee, and tea will be served on tables brilliant with fall decor.

Seating is limited to 250, so be sure to reserve your ticket now by calling Mrs. Robt. Bemis, 395-2022. Tickets are also on sale by all circle members.

Pioneer Rally Night

Pioneer Rally Night will be held at Faith Evangelical Lutheran Church, Antioch, on Sunday, October 11, starting at 4:30 p.m. The rally is sponsored jointly by the Lutheran Pioneers and the Lutheran Girl Pioneers of that church.

Lutheran Pioneers is a club for boys, age 9 through high school, and is led by Trainmaster Richard Crichton of Lake Villa and Senior Train Leader Ron Whittington of Pistakee Highlands. Lutheran Girl Pioneers for girls age 8 through high school is guided by a Caravan Counselor, Mrs. Don Gall of Lake Villa, and two Senior Leaders, Mrs. Elmer Frank of Lake Villa, and Mrs. Barry Van Patten of Ingleside. These clubs offer well-rounded programs of study, games, handicraft, sports and camping.

Mr. and Mrs. Duane Vanselow of Milwaukee will be the guest speakers at the rally. Duane is the Assistant National Commander in charge of Program Planning of Lutheran Pioneers. His

Refunds Going Begging

Illinois Revenue Director George Mahin said his department is trying to locate more than 35,000 individual taxpayers who haven't received 1969 state income tax refund checks.

Mahin told a news conference here: "Every Illinois income tax refund check that can be processed has been issued. We know there at least 35,000 individuals who have refunds coming in addition to the checks already issued, but we can't find these people."

"We are just as anxious as they must be to get the refund checks into their hands, if they are entitled to the refunds."

The revenue director noted that six per cent interest will be paid in addition to the refund amount, retroactive to the filing date or the due date of the return whichever is later if the delay is the fault of the department.

Mahin said every taxpayer who sends in an inquiry will receive an acknowledgment; an immediate investigation will be made

(Continued on page three)

United Fund Has Raised \$130,961

At the first report meeting Dr. Ralph F. Anderson reported today that the United Fund of North Lake County had raised \$130,961 or 16.6% of the 1970 goal of \$787,452.

Dr. Anderson heard reports on Tuesday (9-29) from nine United Fund soliciting divisions before forty volunteer workers gathered at the Brae Loch Country Club. Leading the division reports in the Corporate Gifts Division, and reporting for Richard Kennedy, Assistant to the Publisher of the Waukegan News-Sun, was Harold Callahan who reported \$116,347 or 49% of the division's \$242,322 goal achieved. Mr. Callahan is president of North Shore Printers.

Dr. Charles S. Brown, Executive Vice President of Abbott Laboratories reporting on Employee Groups, announced that \$264 or 0.5% was raised toward a goal of \$408,753.

Reporting for Public Employee, Federal and Small Business Groups, Mr. Richard Schwartz, a Waukegan business man, an-

nounced that \$14,350 or 10% was raised toward a goal of \$142,230.

Toward the conclusion of the meeting, Dr. Anderson, Vice President of I.M.C., Libertyville, presented each of the three Associate Campaign Chairmen with a white female rabbit, which, said Dr. Anderson, had been impregnated.

He added, that Schwartz, Brown and Kennedy could return the rabbits only when their goals had been reached. "As the gestation period for rabbits is 30 days," added Anderson, "You should be able to hand them back to us just in time."

Dr. Anderson said he is optimistic about the 1970 United Fund Campaign and although only 16.6% of the 1970 goal has been attained, he pointed out that the campaign began two weeks early this year, but many of the divisions kicked off late.

"At this point we are holding our own," he said. "But we must have an increased goal of 9.7% over last year's figures to reach our goal of \$787,452."

Scientist Refutes Government Claim On Thermal Outfall

A top national scientist refuted the federal government's proposal that thermal discharges from generating stations should be kept within narrow limits above natural water temperatures.

Dr. Donald W. Pritchard, director of the Chesapeake Bay Institute and professor of oceanography at Johns Hopkins University, told the Lake Michigan Enforcement Conference Workshop in Chicago that heated water discharges from generating stations are not harmful. One of several scientists invited by Commonwealth Edison Company to make statements at the conference, Dr. Pritchard emphasized that his opinions and conclusions are his own "and do not necessarily represent the views of either Johns Hopkins University or Commonwealth Edison Company."

The conference, comprising the Federal Water Quality Administration and state water quality

agencies from Michigan, Illinois, Indiana and Wisconsin are holding a five-day workshop here this week. Discussion centers on a proposed federal standard which would limit thermal discharges from Lake Michigan generating plants to "no significant amounts of waste heat."

Dr. Pritchard, who for 23 years has conducted research on the movement and mixing of waters in lakes, estuaries and marine coastal areas and with chemistry and biology of these water bodies, said the proposed standard was unnecessary.

"On the basis of my experience and my calculations of heat exchange from the surface of Lake Michigan, I find that the discharge of condenser cooling water from the power plants currently proposed for Lake Michigan will have no measurable effect on the overall lake temperature," he stated. "Virtually all of the

Dentists Endorse McClory

Congressman Robert McClory, representing the 12th Congressional District of Illinois (Lake and McHenry Counties and the Townships of Hanover and Barrington in Cook County), has been endorsed by the Legislative Interest Committee of Illinois Dentists.

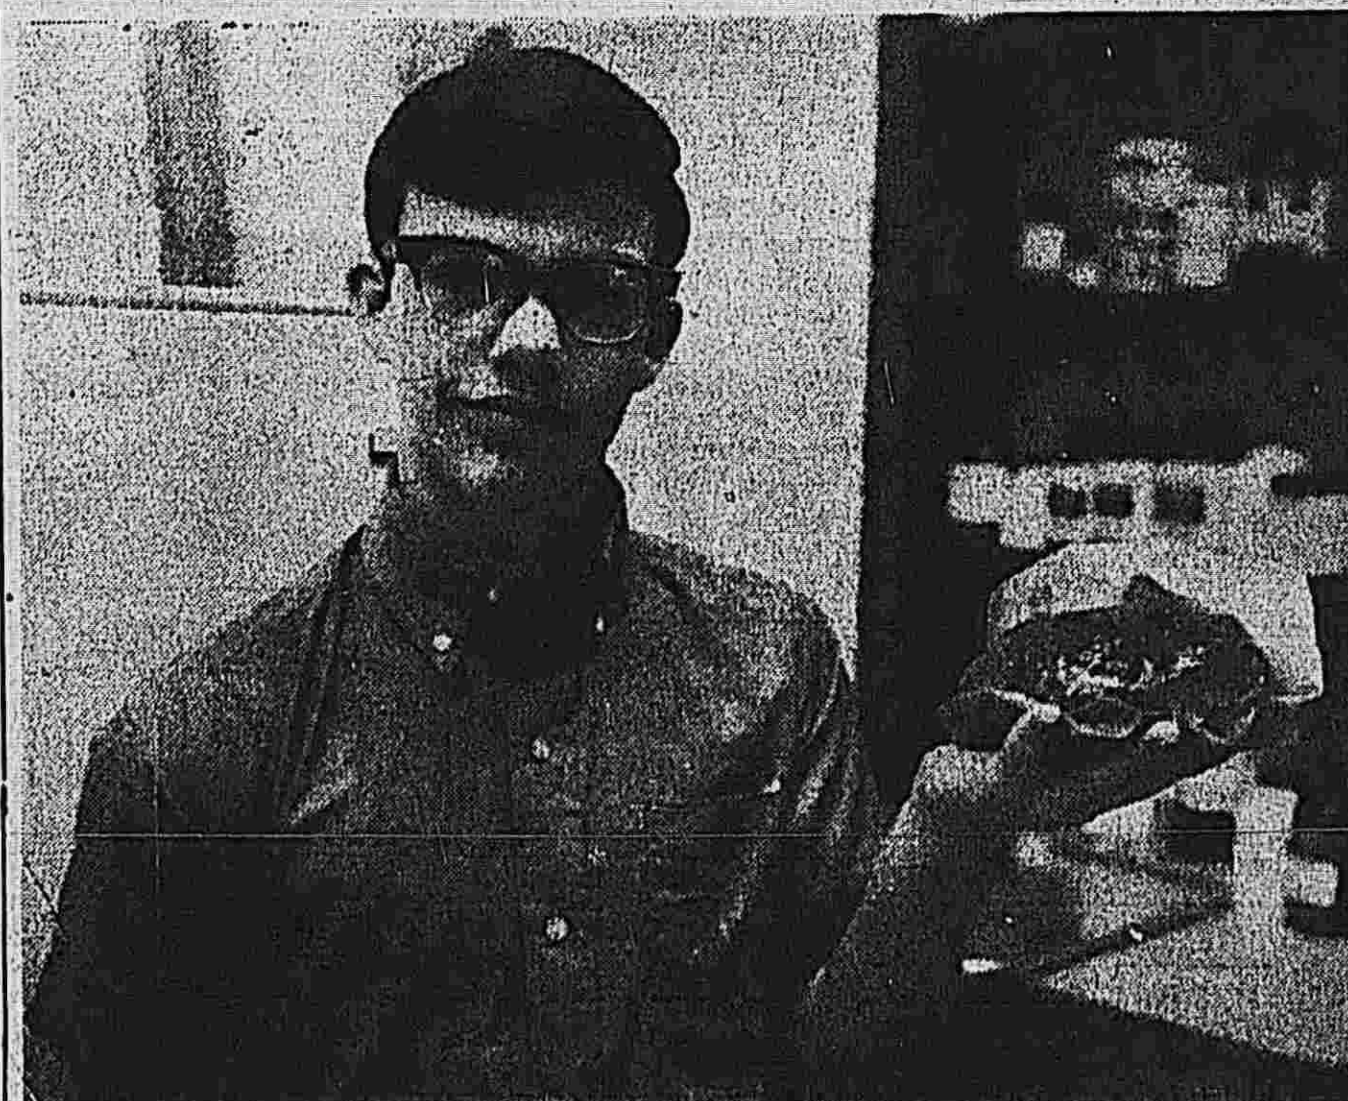

In communicating this endorsement, Dr. Ned M. Ring, Secretary, stated: "The Legislative Interest Committee of Illinois Dentists has endorsed your candidacy in the coming November election."

"Our organization is a non-partisan political action group of dentists from throughout the state. One of our purposes is to help elect candidates who are interested in promoting good public dental health legislation."

Kuechenmeister Is Named To Committee

Frank Kuechenmeister of 1026 Bishop, Antioch, is serving as a member of the Civic Campaign Committee of Commonwealth Edison Company.

He has been made a member of a sub-committee which is soliciting contributions from the employees at Edison's Northern Division office, 1000 Skokie Blvd., Northbrook, during the annual Crusade of Mercy campaign. The drive, which began in mid-September and concludes October 16, is being conducted in all the company's divisions.

John Meyer, a freshman at Antioch High School is shown holding a part of an organism belonging to the group of animals called Bryozoa (moss animals). John found this colony of Pectinella floating in a channel off Lake Catherine. This organism is a very small animal, not noticeable by itself, however, it forms into a colony and may continue to grow and multiply until the size of a colony reaches a diameter of twelve feet. However, it is rare to find one over one inch or so. The one John found was about 12 to 18 inches in diameter.

EDITORIAL

Students Lose

The final score last Friday evening at the meeting held by the teachers of Antioch High School was Teachers 70—Students 0.

What this means is that after two-and-a-half hours of serious discussion by this group of well educated teachers, there was no way left for them to get what they wanted but to go home mad and give a hard time to the "bad guys", in this case the administration and the board of education.

Now just where this leaves the students of Antioch High School is right in the middle, getting the short end of the problem from both the "good guys" (teachers) and the "bad guys" (board and administration.)

The school is still open and in a general way the students are going to class, but it is very unlikely that any real value is being gained.

Who is at fault for this deplorable situation?

The people of Antioch and Lake Villa who send their children to school for an education and pay taxes to support this school have the right to know.

This problem is costing the people of this high school district a lot, not only in hard cash, but even more important in the poor education the students are getting because of it.

If you ask any of the three groups who is responsible for the problem, each points to the other group and says it is that one's fault.

Maybe it is the board of education for not becoming aware of the problem until much too late and following a number of persons advice without really looking at the problem themselves.

Maybe it is the administration for not seeing this problem coming sooner and trying to work with each group, rather than just being concerned with the fact that they might be losing some of their so-called "power" and trying to put down this teacher rebellion without a shot being fired.

Last but not least are the teachers themselves.

Could they be at fault, although right now they think what they are doing is for a "noble cause"—more money. No matter what you call it, it still comes down to money.

To put the cause of the problem at the feet of any one group would be wrong, for all three groups, the board, the administration and the teachers, must accept equal amounts of the blame.

The students, the parents and taxpayers must demand, for it is their right to do so, that the problem be put to an end right away.

The board of education, the teachers and the administration have received from the people of two communities an edict of responsibility for an educational system and the trust of the people that this edict will be carried out.

All three groups have put aside this responsibility.

All three have betrayed the trust given to them and should be held responsible for this.

Bomb Threat...

(Continued from page one)
turned to the new term while negotiations continued.

Teacher negotiators have continuously said that the dispute could be settled in one day if the five per cent salary index is maintained.

The negotiator for the administration has just as firmly maintained that it be disbanded.

The district has offered the teachers salary increases ranging from a low of \$700 to a high of \$1,245 along with five other fringe benefits.

There has been no indication at this writing if the board will seek a court injunction in an effort to force the teachers back into the school while negotiations continue.

Scientist Refutes...

(Continued from page one)
Heat rejected from power plants will be lost from the lake surface to the atmosphere.

"Lake Michigan represents a great natural resource for cooling of water used in the generation of power," said Dr. Pritchard, and "this source can be

used, with proper design of intake and discharge structures, without detrimental effects on other uses of the lake."

Summing up his testimony, Dr. Pritchard told the conferees:

"I conclude that there is no scientific evidence to substantiate any need for a (narrowly limited) temperature standard at the point of discharge but that, on the contrary, such a standard would lead to the waste of a valuable natural resource."

VA study reveals that current GI Bill trainees are more likely to be enrolled in college than their WW II and Korean Conflict counterparts.

First Aid Classes Scheduled

The Antioch Rescue Squad is again sponsoring First Aid Classes which are to start Thursday, October 8 at 7 P.M. At the Rescue Squad Building. No pre-registration is necessary and there is no charge. For further information call 395-2141.

Items that can be recreated with simple tools at home. Demonstrations and instructions will be presented at booths throughout the day. Lunch will be served.

School days are the time not only for reading, writing and arithmetic but also for making friends. The grade school years—kindergarten through sixth grade—represent the most crucial time in learning how to make friends, says Mrs. Helen Volk, Lake County Extension adviser. And parents can lend a hand with social development as well as with homework.

Children imitate their parents. For example, if you have many friends and invite people into your home often, your youngster is more apt to regard friendship as an important value in his life also. When your child invites classmates home, welcome them—even though at times this may mean confusion or inconvenience. It's important to a child that you willingly make popcorn and dispense lemonade to his friends as well as entertain your own. If your child is new in a neighborhood or school, you can ease the "getting acquainted" process with some planned activities. Issue a special invitation to a neighboring child to accompany your family on a Saturday outing or plan an informal get-together in your home for a small group of your child's classmates.

The University of Illinois Extension Service issues bi-monthly bulletins on "Chats With Parents." If you would like to be on the mailing list for this free bulletin, send your name and address to Mrs. Helen Volk at P.O. Box 356, Grayslake, Ill. 60030.

Campaign Returns Are Good

"Early returns from this year's 'Breath of Life Campaign' now in progress on behalf of the Northern Illinois Chapter of the National Cystic Fibrosis Research Foundation are ahead of last year and extremely encouraging," it was announced by Campaign Chairman, Sheriff Joseph I. Woods.

Sheriff Woods stated that over 32,000 northern Illinois residents, the greatest number in our history, are marching their blocks to distribute educational literature and collect funds on behalf of the Foundation.

The Northern Illinois Chapter of the National Cystic Fibrosis Research Foundation supports four Care Research and Teaching Centers, basic research projects and has a very active patient care and public and professional education programs. Its expanded care program now includes Asthma lung damage, juvenile Emphysema, chronic Bronchitis and Cystic Fibrosis. Of these, Cystic Fibrosis is the most common and serious—a disorder which causes the body to produce a thick gluey mucus which clogs the lungs, and creates serious complications and in many incidents DEATH. It is estimated that over 5

Carl Abbate, left, general manager of Pittman Pontiac in Antioch presents a certificate for an all-expense weekend at the Playboy Club in Lake Geneva to Mr. and Mrs. Billy L. Gant of Antioch. The Gants were the lucky winners of a drawing held as a feature of the recent Pittman party to introduce the 1971 Pontiacs. The award was part of Pittman's continuing sales promotion policy which has created much interest in the Chain O' Lakes area.

million children in this country suffer from a lung damaging disease.

EARLY CHECKUP FOR CHILD'S EYES

If your preschool age child is 3 years old, he isn't too young to have his first eye examination. In fact, the National Society for the Prevention of Blindness advises that children's eyes be examined first by the time they are four, because the critical period for successful treatment of certain vision disorders is the years before age six.

Antioch Airman Missing

Airman 1/ Walter E. Bosnick 20, son of Mrs. Josephine Bosnick of Rte. 21, is one of 43 crewmen and passengers reported missing board a plane which disappeared on a flight to Taipei, Formosa.

Bosnick was a crew member aboard a transport which was assigned to the 314th Tactical Air-lift Wing at Chingchuankang Air Base at Taiwan.

A spokesman for the Air Force who are searching for the plane have reported that no wreckage of the plane have been sighted.

Bosnick joined the Air Force in February, 1969 and was sent overseas on June 7, 1970.

He joined the service after completing one and one-half years of college and was employed after graduating from Antioch Community High School in 1968 at Teresi Motors.

Mrs. Bosnick said she was notified that her son was missing about midnight Friday when a member of the Air Force called at her home.

There are three sisters and a brother in the family.

Pioneer Rally...

(Continued from page one) wife, Melba, is District Counselor in charge of the Milwaukee District of Lutheran Girl Pioneers.

The Vanselow will present slides, information and displays telling the history, purpose and activities of both groups. Pioneer members, their leaders and their parents should find this program very informative. Parents and children in the Antioch area who might be interested in this kind of club are encouraged to come and find out about Pioneers.

Following the presentation by the Vanselows there will be a pot-luck supper and a short camp-fire program. All will be completed before 7:30 p.m. which is the time set for the quarterly meeting of Faith congregation.

Refunds Going...

(Continued from page one) to find the taxpayer's missing refund check.

He continued: "More than four million individual state income tax returns were received this year. Searching for these missing checks is going to take time, so we urge taxpayers to make their inquiries immediately and to be patient while we find their checks."

"Every taxpayer entitled to a refund will receive it in full, with interest if it is owed."

The state has issued more than 2,235,000 income tax refund checks to individuals for the 1969 tax year. These checks total more than \$43.3 million.

State Okay Sought...

(Continued from page one) 13 thefts and 13 juvenile cases. Purchase of a narcotics detection kit was authorized at a price of \$49.50.

Police Chief Jack Davis said there were eight violations of a city ordinance on junk cars in the Oakwood Knolls area and that he planned to notify the violators to clean up their lots or else they face arrest under the ordinance.

Five streets in the Oakwood Knolls area will be sealcoated by

Mrs. William Brook enjoying an evening at the Antioch Country Club. She also had the pleasure of meeting and talking to Count Basie whose band was playing there. Looking on are John Teresi, left and John Weiss, hosts of the club. (Photo by Joe Rush)

Launch Program To Select Top Patrol Members

In connection with the 50th anniversary of the lifesaving School Safety Patrol movement, the Office of the Superintendent of Public Instruction has launched a statewide program to determine the 10 outstanding current Patrol members in Illinois.

Ray Page, Superintendent of Public Instruction, in announcing the program said that his office is enlisting the help of superintendents of educational service regions, district superintendents, principals, and teachers in selecting those 10 Patrol boys or girls in the state who best exemplify the guiding principles of the Patrol movement. Said Page:

"The Office of the Superintendent of Public Instruction feels it only fitting that, in this the 50th year since the first School Safety patrol was founded by the Chicago Motor Club in Chicago in 1920, a statewide program be initiated in all Illinois elementary and junior high schools to pay tribute to these young boys and girls who perform so diligently the task of protecting their classmates on their way to and from school."

The Liberty Asphalt Products Co. of Grayslake at a cost of \$1,716.05 so that they can be plowed this winter.

Rating sheets have been distributed to all Illinois school districts for local public, parochial and private school officials to use in nominating their outstanding Patrol members. Emphasis is to be placed on overall ability, promptness, alertness, attentiveness, appearance, and leadership. From the list of regional nominees, 10 Patrol members will be chosen to attend a Patrol Honors luncheon to be hosted by the Chicago Motor Club at the Lake Shore Club in Chicago on October 27. At the luncheon, the Chicago Motor Club will present engraved Distinguished Service Medals and U. S. Savings Bonds to the winners. Gerald W. Kavanagh, President of the Chicago Motor Club, praised the Superintendent of Public Instruction's Office for formulating plans for this tribute to the School Safety Patrol on the occasion of its 50th anniversary. He said:

"Since the Chicago Motor Club pioneered the School Safety Patrol concept in Chicago in 1920 the movement has become international in scope and the traffic accident rate for young people has been cut in half while the death rate for all other groups has doubled. Through the years the patrol is credited with the saving of at least 19,000 children's lives in the motor club's Illinois-

Lake County Residents Buy Bonds

Lake County residents purchased a total of \$508,599 in series E and H United States Savings bonds in August according to Richard F. Kennedy, Waukegan and Richard D. Newland, Waukegan, Ill., county chairman of the savings bonds committee.

Sales in the State of Illinois were \$25,684,669 according to Clarence S. Sochowski, North Central market director of the Treasury savings bonds division. This tops sales for July which were \$23,425,452 and is 2.2 percent below August of last year. National sales were \$388,000,000 and Illinois accounted for 6.6 percent of this amount.

Indiana territory alone.

"Educators throughout the country regard the Patrol movement as a safety educational tool as well as a means of developing individual character and useful citizenship. The School Safety Patrol movement is based on the idea that young people are dependable and capable of leadership if given proper guidance. The splendid record of the Patrol in its half-century of service has fully rewarded the Club for this faith in your youngsters."

"The Chicago Motor Club is proud to be able to participate with the Office of the Superintendent of Public Instruction in honoring the outstanding Patrol members in Illinois."

Welcome Wagon

W. Richard Whitacre, at microphone, was honored last Saturday night with a dinner in the Hunter Country Club in Richmond, for his many years of service to the Antioch Grade School system, from which he recently retired as superintendent.

'His Land' Coming To Antioch

Across a barren land, scarred by centuries of war and neglect, the spectres of ancient Israel appear, hover, and fade away. Suddenly there is movement of a different sort, and slowly, steadily, a startling transformation begins to take place.

Thus begins "HIS LAND," the thrilling story of Israel from ancient to modern times. "His Land," a one-hour color feature motion picture, takes you on a journey through space, time and current events. You see graphically, the fact that Israel today is a living testimony to the words of the prophets when they proclaimed that Israel would take

her place among the nations of the world.

In the company of Cliff Barrows and Cliff Richard, England's popular star, who sings a number of new Ralph Carmichael songs, some of which were actually written on location, you travel the vibrant streets and lonely solitary paths of this nation whose destiny is daily discussed in the counsels of governments all over the world. . . the same paths taken by Jesus and the prophets: Galilee . . . the wilderness . . . Jerusalem . . . the Mount of Olives . . . mingle with the people of modern Israel as they work, play and build a nation.

Words of Scripture come to life as the two men reflect upon the events that in recent years have confirmed much of the ancient prophecies. You are witness to the fact that out of death and desolation is emerging a new Land . . . a "Land of milk and honey," where the future climactic events of history will take place.

"His Land," rich in color and authentic sights and sounds, with a popular musical score composed and arranged by Ralph Carmichael has been called a musical journey into the soul of a nation, and will be returning by popular demand Thursday, October 15, at 8 p.m. at the Antioch Evangelical Free Church, Tiffany Road at Highview Drive.

"His Land," truly a feast of color, sound and song. An unforgettable experience!

Rummage, Bake Sale Scheduled

The Emmons School rummage and bake sale will be held on Saturday, Oct. 24 from 9 a.m. to 3 p.m. in the school at Rte. 59 and Beach Grove Road.

Co-chairmen are Mrs. Kenneth Westman, Mrs. William Nauman and bake sale chairman, Mrs. Charles Davis. Information can be obtained at 395-4110, 395-0957 or 395-0431.

Any donations of rummage may be left at the school.

Rev. Olson Wins New Appointment

Bishop Thomas M. Pryor has announced the appointment of the Rev. Donald Theodore Olson as the new superintendent for the Rockford District of the Northern Illinois Conference of the United Methodist Church. The Rev. Mr. Olson has served the Barrington United Methodist Church since July, 1963. In addition to his service at Barrington, he has been minister at the following locations: Lanark, Court Street Church in Rockford (Associate Minister); Lake-in-The Hills, Algonquin; Savanna; and Freeport, First United Methodist Church.

Mr. Olson's educational background includes a B.A. from Garrett Theological Seminary in Evanston. He was admitted as an Elder in the Northern Illinois Conference in 1947.

While in Barrington he has served on the Human Relations Commission, Youth Advisory Council, Community School Council, Grade School Curriculum Evaluation Committee, and also served a term as president of the Barrington Ministerial Association.

His position as superintendent of the Rockford District will place under his leadership 88 churches. He is replacing Dr. William D. White who was recently elected to the position of Program Coordinator for the conference.

Mr. Olson is married to Evelyn Dodge Olson. They have three children — Barbara (Mrs. Peter Barile, who resides in Barrington), Rebecca, and Jody.

Where The Boys Are

Cadet Daniel W. Pflueger, son of Mr. and Mrs. Charles J. Pflueger of Rt. 3, Salem, Wis., is among the 821 cadets who have entered their junior year at the U. S. Air Force Academy.

As he began his third year at

Pflueger

the academy, Cadet Pflueger was named to the Commandant's List for his outstanding military performance. He wears a silver wreath insignia recognizing the honor accorded him by the academy commandant of cadets.

Cadet Pflueger will serve during the fall term as a flight sergeant with the rank of cadet master sergeant. He was selected for the position because of his leadership and effectiveness ratings.

During the past summer, Cadet Pflueger served as an instructor in a rigorous basic training course for the academy's incoming freshman class.

He also completed three weeks of special duty at Torrejon AB, Spain, in Operation "Third Lieutenant," a program which provides cadets an opportunity to perform as junior officers.

Cadet Pflueger will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the academy.

USS PROVIDENCE, Sept. 28—Navy Petty Officer Third Class Robert M. Hammlitt, son of Mr. and Mrs. Robert B. Hammlitt, of 402 Granada Blvd., Lake Villa, participated in Operation "ROPEVAL" aboard the light guided missile cruiser USS Providence off the California coast. The operation involved more

American Legion Auxiliary News

By Det. Jahneke

The Antioch American Legion Auxiliary No. 748 will hold its regular meeting on Monday, October 12, at 8 p.m. at the Antioch American Legion Home, with Mrs. John W. Horan, President-elect, conducting the meeting.

Final preparations will be made regarding the joint installation of officers on Thursday, October 15, at 8 p.m. at the Antioch American Home.

The installing officer for the Unit officers will be Mrs. Robert Broege, Deerfield, District President; Mrs. Richard Brady, Guineo, Past District President, installing sergeant-at-arms; Mrs. Ray Suzal, Highland, 2nd Division Past President, as installing musician; and Mrs. Walter Hills, Unit Past President, as installing chaplain.

Unit officers to be installed are: President, Mrs. John W. Horan; First Vice President, Mrs. Lester Zilkus; 2nd Vice President, Mrs. Bernard DeVries; Secretary, Mrs. Joseph Horton; Treasurer, Mrs. Frank Kennedy; Historian, Mrs. Edward Jahneke; Chaplain, Mrs. F. A. Swenson; Sergeant-at-Arms, Mrs. Sam Pettigrew; and Junior Past President, Mrs. Ray Rathmann.

Incoming Legion officers are: Commander, Donald Gaston; Senior Vice Commander, James Frazier; Junior Vice Commander, Dennis Beattie; Adjutant, Edward Frazier; Finance Officer, John W. Horan; Historian, John L. Horan; Service Officer, F. A. Swenson; Chaplain, David Kulken; Sergeant-at-Arms, Andrew Kalnik; and Junior Past Commander Bernard DeVries. Post officers will be installed by 10th District Commander George Flu-

than 30,000 Navymen embarked in 41 U.S. Navy and three Canadian Navy ships.

Operation "Readiness and Operational Evaluation" (ROPEVAL) was one of the largest Naval exercises to be conducted off the West Coast in recent years. It was designed to test the skills of ship's crews and the capabilities of their equipment during simulated battles.

CARRIER DIVISION NINE, Sept. 28—Navy Petty Officer First Class John E. Black, husband of the former Miss Susan L. Strang of 1090 S. Main St., Antioch, participated in Operation "ROPEVAL" with Commander, Carrier Division Nine aboard the aircraft carrier USS Ticonderoga off the California coast.

The operation involved more than 30,000 Navymen embarked in 41 U.S. Navy and three Canadian Navy ships.

Operation "Readiness and Operational Evaluation" (ROPEVAL) was one of the largest Naval exercises to be conducted off the West Coast in recent years. It was designed to test the skills of ship's crews and the capabilities of their equipment during simulated battles.

GREAT LAKES, Ill., Sept. 24—Navy Seaman Apprentice Lawrence R. Gates, son of Mr. and Mrs. Walter G. Gates of Route 3, Salem, Wis., was graduated from basic training at the Recruit Training Command, Great Lakes, Ill. He was a graduate of Salem Central High School.

ger, Vernon, and his corps of officers.

Mrs. J. W. Horan has announced her list of chairman appointments as follows: Americanism, Mrs. John L. Horan; Auxiliary Loan, Education, and Scholarships, Mrs. Lillian Hand; By-laws and Revisions, Mrs. J. L. Horan; Child Welfare, Mrs. William Dowden; Civil Defense, Mrs. Walter Hills; Communications and Publicity, Mrs. Edward Jahneke; Community Service, Mrs. Bernard Stadick; Coupons, Mrs. Ralph Fields; Foreign Relations, Mrs. B. Stadick; Gold Star, Mrs. Earl Horton; Illinois Girl's State, Mrs. Joseph Horton; Junior Activities, Mrs. Bernard DeVries; Legislative, Mrs. Frank Kennedy; Membership and Music, Mrs. Lester Zilkus; National Security, Mrs. Sam Pettigrew; Past President's Parley, Poppy and Rehabilitation, Mrs. Ray Rathmann; Sick Call, Mrs. F. A. Swenson; Veteran's Craft, Mrs. Edna Rathmann; Finance, Mrs. R. Fields; Mrs. J. L. Horan and Mrs. S. Pettigrew; and Color Bearers, Mrs. Walter Hills and Mrs. R. Fields.

The 10th District American Legion Auxiliary will host the "Department Caravan" on Wednesday, Oct. 14, at 7 p.m. at the Deerfield American Legion Home. Mrs. Robert Broege, Deerfield, District President, will be the presiding officer.

The Department (State) Caravan is a school of instruction for all officers, charmen and members of the Legion Auxiliary, informing them of the new programs and parliamentary procedures for the ensuing year. Mrs. Bernard Schmidt, Moline, State President, accompanied by State officers and chairmen, will outline the year's programs.

On Friday, Oct. 16, the 10th District Juniors will be holding a Bake Sale at 7:30 p.m. at the Highland Park American Legion Home, just prior to the 10th District American Legion meeting there. Mrs. Ray Rathmann, Antioch, 10th District Junior Activities Chairman, is in charge of this project.

A Halloween party meeting is on the agenda for the 10th District Juniors on Friday, October 23rd, at 8 p.m., at the Antioch American Legion Home. Each unit group is asked to bring a game. Mrs. Bernard DeVries is the Antioch Unit junior activities chairman.

There was a good representation of all units at the 10th District American Legion Auxiliary meeting, held in the Libertyville American Legion Home Sept. 30, according to Mrs. Philip Strand, Libertyville, District Rehabilitation Chairman.

The year's program of parties and activities for the patients at Downey Hospital was scheduled. Special events of the 10th District Auxiliary include a Christmas gift shop, Christmas Dance and Canteen Books at Christmas and Easter. A picnic in August is sponsored by the past presidents of the 10th District.

Robert Howard, Assistant Director of Voluntary Services at Downey Hospital, spoke on the need for more adult volunteers at the hospital, and participation in the Community Care program, concerned with finding homes for rehabilitated patients leaving the hospital.

Mrs. R. Broege is also Department Downey Hospital Director, and she stressed the overall rehabilitation program at Downey at related to the 10th District Auxiliary. Mrs. Rathmann represented Antioch Unit at this meeting.

Mr. and Mrs. Swenson

Couple To Observe Golden Anniversary

Mr. and Mrs. Al Swenson will hold an open house on Saturday, Oct. 17, from 2 to 5 p.m. in Lauren Hall of the Millburn Congregational Church, Rte. 45 and Loon Lake Road, in observance of their 50th wedding anniversary.

An invitation to attend is extended to relatives, friends and neighbors.

The couple was wed at Waukegan on Oct. 19, 1920. The Swensons have four children, Francis of Milton, Wis., George of Guerne, Robert of Antioch and Nancy of Antioch, and 13 grandchildren.

Swenson served in the U. S. Naval aviation during World War I. They were dairy farmers in the Antioch area until 1949. He was superintendent of the Lake County Veterans Assistance Commission until his retirement in 1966 and a member of the American Legion for 50 years, serving as commander and service officer of the Antioch Post for many years.

Mrs. Swenson has been chaplain of the auxiliary for the 22 years. Swenson now spends his time as a wood worker.

Garden Club Of Illinois 'Market' Set

On Monday, Oct. 26 the Garden Club of Illinois, Inc. will present a "holiday market" at the Hinsdale Community House, 6th and Madison Streets, Hinsdale, from 10:00 a.m. until 4:00 p.m.

For months the various garden clubs throughout the State of Illinois have been holding workshops under the direction of Mrs. Raymond Rohde, Chairman, and her assistant Mrs. Wallace Johnson. The result is a myriad of artistic decorations for the holidays, Thanksgiving and Christmas, including fall door decorations, music boxes, baskets (all kinds and colors). There will be materials for making your own decor and gift items galore.

By demand, there will be the bake sale of home baked goodies. This year — a new thing has been added — a "flea market." Plan to bring your friends and spend a glorious day shopping. The public is invited.

CHRISTIAN SCIENCE CHURCHES

The healing power of spiritual awakening will be brought out at Sunday Christian Science church services.

"When we wake to the truth of being, all disease, pain, weakness, weariness, sorrow, sin, death, will be unknown, and the mortal dream will forever cease," one of the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, reads.

An incident in the healing ministry of Christ Jesus will be included in the Bible readings: "And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them." The Lesson-Sermon is entitled "Are Sin, Disease, and Death Real?" The public is invited to attend services held at 11 A.M. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Ill.

Creighton Club Sets Reunion

The Chicago Area Creighton Club will hold its annual party on Saturday, Oct. 17, at the Blackhawk Restaurant, 139 North Wabash Avenue, Chicago.

Guests from the university will include Dr. Richard E. Shugrue, Chairman of the Department of Political Science, and Chuck Maxwell, Assistant Alumni Director. President of the club is John A. Knudson, 3507 Forrest Avenue, Wilmette.

Nearly 735 Creighton University alumni have been invited to the party from the Chicago area. Parents of Creighton students and parents of students interested in attending Creighton are invited.

A short program will feature a new 15-minute color movie describing Creighton's thrust toward greatness.

A social hour is planned for 7 p.m. with dinner at 8 p.m.

The club for former Creighton students is one of more than 60 throughout the nation. The Chicago area club includes persons from Antioch, Grayslake, Lake Villa, Round Lake and other nearby communities.

Creighton University is operated in the Jesuit tradition in Omaha, Neb., and has an enrollment of 4,200 students in seven schools and colleges.

Garden Club Luncheon Is A Success

The luncheon and card party of the Antioch Garden Club was a joyous occasion, and a success. There were plenty of prizes, as well as a prize for each table.

"Our gratitude to the Savings and Loan Association, State Bank of Antioch and First National Bank for the extra goodies to give to the guests, which they enjoyed receiving," said the committee in charge.

After the delicious luncheon, the president, Mrs. Elmer Christophersen, welcomed everyone and asked them to enjoy themselves during the afternoon.

The year books of the Garden Club were passed out to the members, also causing excitement. They are pink, tied with green

Antioch Woman's Club Observes 50th Anniversary

After the opening ceremonies, Senior Regent Erna Toft turned the gavel over to Mooseheart Committee Chairman Irene Clark. The members of her committee who were present are Judy Cook, Jean Miere, June Litner, Gerri Mark, Patricia Serwa, Re Hadley, Jackie Schmidt, and Fran Boxley.

The committee presented a very amusing and well-acted skit on the problems of a committee chairman calling a meeting in her home. It was a come-as-you-are affair, and all the different kinds of dress brought much laughter from the Chapter. There was even a "baby" complete with a huge teddy bear and toys, to poster everyone.

The Chapter then proceeded with the enrollment of new candidate Mae Bruckner, sponsored by Edna Nelson.

Chapter pins were awarded to Jane Kish and Pat Greenhill for attending three consecutive meetings.

Senior Regent Erna Toft reminded the Chapter of the Convention on Oct. 8, when Junior Graduate Regent Hadley will receive her Green Cap. There will be an officers' meeting on Oct. 14 at Junior Regent Judy Page's home. The next Chapter meeting will be on Oct. 15.

After the Christmas Walk, the Chapter was served refreshments with a Christmas theme, and the centerpiece was won by Pat Wagner.

The covers have the State Bird, the Cardinal, State Flower, the Violet, and the State Tree, the Burr Oak, done in colors.

The aim of the Garden Club is "To cultivate Beauty and understanding among ourselves as well as in our gardens."

The Gardener's Prayer is "The kiss of the sun for pardon, The song of the birds for mirth, One is nearer God's heart in a garden

Than anywhere else on earth. The next meeting will be held Oct. 26 in the Savings & Loan Community Room.

The program titled "Christmas Decorations" will be given by Mrs. Lasco de Lasco Florists, Antioch. A promising afternoon to look forward to.

Antioch Woman's Club, member of the Tenth District of Federated Women's Clubs, celebrated its Golden Anniversary on the Opening Luncheon Monday, Oct. 5, at the Hunter Club in Richmond, with over 120 members and guests present.

Mrs. Raymond Toft, president, welcomed members and guests, and introduced a special guest, Mrs. Henry Lustgarten, president of the Tenth District of Women's Clubs who found time in her busy schedule to honor the Antioch club with her presence.

Mrs. Toft then presented the Past Presidents, in the order of their service—fourteen of whom attended as guests of the club. They included Mrs. John Horan who served in the earliest years of 1933-35, Mrs. Edmund Vos, 1937-39, Mrs. Thomas Pechousek, 1939-41, Mrs. Paul Ferris, 1941-42, Mrs. John Brogan, a charter member was president from

Donations To Rescue Squad

Recent donors to the Antioch Lions Club Rescue Squad Fund include:

Fred H. Bigner, Dorothy J. LaCroix, C. C. Jurek, Marie Maleck, Henry Werner, William Kozel, Daisy Richards, H. E. Rosling, Mr. and Mrs. Charles Hoekstra, Otto Jungman, Dennis Holmes, Edwin W. Olsen, David P. Wilson, Charles W. Anderson, A. Seyfarth, Mr. and Mrs. Charles Wysoglad, Edward J. Brylinke.

Elmer M. Stieler, Viola Giesler, Mrs. Jacob Wilhelm, Ruth Daniel, Jack C. Staehle, Alma Bobzien, Mr. and Mrs. Ben Hulseberg, Henry Jilek, Mrs. Marie Edlemann, Herman R. Edlemann, Harold J. Kelly, Lucy W. Caspori, Arthur C. Gustafson, Fred and Abina Hill, Frank B. Oglesby, S. Boyer Nelson, and Harold S. Nelson.

1943-45, Mrs. W. C. Petty, 1947-49, Mrs. M. H. Radke, 1950-51, Mrs. Lillian Stowe, 1951-53, Mrs. Clarence Spiering, 1955-57, Mrs. Clarence Olson, 1957-59, Mrs. William Brook, 1959-1961, Mrs. Irving Elms, 1961-63, Mrs. Norman Jedele, 1965-67, Mrs. Joseph Horton, 1967-69.

All received a corsage of yellow mums and the golden decor was carried out in the table decorations of huge yellow flowers and small golden baskets of butter mints.

The reading of the history of the Antioch Township Library brought rapid attention and some chuckles from the audience—it told of the hardships and trials and some of the comical incidents which happened in the struggle of the Woman's Club to make the library possible, way back in 1923 or thereabouts.

Mrs. Toft also gave a long list of the services, Scholarships, Donation recipients, and aid given by the club to the community at large, and that for 24 years the Veterans at Downey Hospital have been entertained with refreshments, music and special parties by the club members.

Mrs. Anton Stanich said Grace and after luncheon Mrs. George Hahn, program chairman, introduced The Murk Family in their presentation of a musical by Mr. and Mrs. Murk and their four children, a very touching and delightful program.

Three new members were voted into the club and three names read for future consideration at a business meeting. Golden Year Books and new by-laws were given to all members. Hostesses for this opening day luncheon were Mrs. Raymond Toft, Mrs. Anton Stanich, Mrs. Max Jester, Mrs. George Jaros, Mrs. Richard Radke, and Mrs. George Hahn.

The next meeting will be a business meeting at the Scout House, the program "Drug Abuse" by Jack Hoogasian, of special significance at these times. Members are all urged to attend this meeting to learn more about the menace of drugs and its effect on our community.

Richmond Garden Club Sets Luncheon

Hunter Country Club, Route 173 East in Richmond, will be the setting for the annual Salad Luncheon and Card Party presented by Richmond Garden Club on Wednesday, Oct. 14.

A buffet luncheon of home-made fruit, vegetable, fish and meat salads, home-made cookies, coffee, tea or milk will be served from 11:30 a.m. to 1:00 p.m. The cocktail lounge will be opened at 11:00 a.m. Arrangements have been made for special attention to the business people who cannot remain for the afternoon.

Card games of the players' choice will follow the meal. High scorer at each table will be awarded a table prize. In addition, a green plant is to be presented to one lucky person at all luncheon and card tables. Many prizes will be offered.

Tickets will be sold at the door and are now available from Garden Club members. Donation is two dollars. Further information may be given by the tickets chairman, Mrs. Frank Heinemann, 815-678-3147.

This traditional fund-raising event is being held on the second Wednesday in October rather than the first Wednesday, as in the past. Proceeds are used for civic beautification projects in the community.

Methodists Youth Day October 10

Approximately 2,500 young people and adults from United Methodist churches all over the state are expected to converge on Illinois Wesleyan University at Bloomington, Saturday, Oct. 10 for the annual Methodist Youth Day.

For the thirteenth consecutive year, Methodist Youth Day will provide an opportunity for these young people to become acquainted with a university. For many it will be their first such visit.

The day begins for them at Wesleyan about 9 a.m. when they

Over 400 Moose members were in attendance at the Saturday night Moose party.

The main prize, a boat and motor was won by William Knourek; 2nd prize went to Bob Clon; 4th prize to Clarence Kufalk and 5th prize to Harvey Henry.

Other winners of prizes were Ben Noble and Hank Bailey. Bob Taylor was the door prize winner.

Most tickets were sold by Karl Lovelle, runner ups were Geo. Block and Leonard Kohl.

Many thanks are in order to Tom Stanley, the General Activities Coordinator of this big affair, also to his crew of workers, John Dupre, Bill Priko, Bob Taylor, Ed Kurtz, Roger Byrd, Les Sperling and Lee McKinney, all of whom make this affair a huge success.

Sunday, Oct. 11th, from noon to 7 p.m. our boy scout troop is having its tenth annual fund raising spaghetti dinner. Richard Stroner is in charge.

The Moose convention will be held at Peoria on Oct. 9-10-11. Contact secretary Ed Kurtz if you want to attend.

The next regular men's Moose meeting will be on Oct. 14th at 8 o'clock. Ronald Polson is Governor and would like to see a big turnout at the meeting.

Hanrahan to Talk To Crime Group

The Lake County Crime Commission will hold its semi-annual dinner meeting in the Swedish Glee Club in Waukegan at 6:30 p.m. Oct. 27.

Speaker for the evening will be Edward V. Hanrahan, Jr., Cook County state's attorney.

will tour the campus and buildings. Following that and until lunch, the young people gather in Memorial Gymnasium to enjoy the music of a combo and to meet new friends.

They are served lunch in the Fred Young Fieldhouse at noon and then attend a half-hour pep rally prior to a 1:30 p.m. football game between the Wesleyan Titans and the Big Blue of Millikin University of Decatur, Ill.

Mrs. Jensen Wins PM&L Top Award

On Saturday night at Lorenz's Smart Country House, Palette, Masque and Lyre, Antioch's live theatre group paid its highest tribute to Mrs. Robert Jensen, by presenting her with the "Mr. Thespis" award. This award is donated and presented each year by Joe and Val Hunley for best actor or actress.

Four director's awards for outstanding work on production (lighting, costumes, sets, props, etc.) were presented to the following: Marion Schultz, Truman Garrett, Harold Springer and Marie Richter.

A new award was added this year. It is called the "Encore Circle" and it is a recognition given to members who have previously received a "Mr. Thespis"

or a Director's award and have continued to give their untiring efforts to P.M. & L. Those receiving this honor were: Ken Smouse, Al Ramsay, Gary Richter, Hank Apostol, Ricky Apostol, Dee D'Isa, Don Beveroth, Betty Smouse, Bill Serahon, Aileen Biel, and Shirley Jensen.

Unlike other awards banquets (such as sports) non members and anyone interested in a fine evening of dinner and entertainment have always been encouraged to attend. And the people who did attend, seemed to enjoy almost as much as the recipients.

Season X tickets, consisting of the following three shows are now on sale: "My Three Angels", directed by Don Beveroth, "Barefoot in the Park", directed by Gary Richter and "The Miracle Worker", directed by Joe Hunley. These season passes may be purchased by contacting Shirley Jensen, 395-0539 or the theatre number 395-9702.

THERE ARE NO BARGAINS IN EDUCATION!

The action was rough and tumble last Saturday as Antioch High School chalked up another win. The victim was the Round Lake Panthers by a score of 12-8.

Round Lake Bows To Antioch 12-8

By the 12th Man
Saturday afternoon was parents' day for our team and we could have given our parents a better showing but not a more exciting game. We squeezed out a 12-8 victory over the Panthers of Round Lake, a team known for its penalties and aggressiveness under the pile-ups.

But Saturday they came to play football and with the first play of the second period they scored from our six to cap a 49 yard drive. The big play was a holding penalty on a fourth down situation which gave the Panthers a

first down on our 35. The extra point was scored because of sloppy tackling on our part and they led 8-0.

The sad part about the drive was that all the yardage was run up through our normally tough defensive line, but we were still confident that we could get that touchdown back.

The next time the Panthers got the ball they went 29 yards to our four yard line where they stalled and we took over. Our offense still could not get rolling but a quick-kick by Rick Claeson from our 9 to their 47 got us out of the hole. The rest of the time in the first half was spent punting to each other. The Panthers took an 8-0 lead into the locker room and we were all wondering if we were the same team that beat Lake Forest the week before.

The second half looked like a repeat of the first half as Round Lake made three first downs to take them to our 15. With third down Rick Claeson intercepted a pass and returned it to our 17. This was the turning point in our game. If they had completed the pass they most likely would have scored and it would have been all over. As it turned out we moved 83 yards in 14 plays as Chip Gross carried it over from the 3. The extra point failed and it was 8-8. The consistent running of Claeson, Trip "lip" Hagstrom and two big gainers by Tom Martin was made possible because of the outstanding job of blocking done by the offensive line, who are from tackle to tackle: Jon Story, Dan Walsh, Jim Gaa, Don White and Ken Tell.

The Panthers tried to use up as much time as they could and they almost did too good a job of it. The next time we had the ball we were on our 13 with 5:24 remaining. We went the 87 yards in ten plays and still had two minutes left. The big plays in the drive were a 29 yard run by Tom Martin and a 24 yard touchdown

pass from Chip Gross to Jim Revell. The extra point was not good and we had the lead 12-8.

Bill Gaa applied the final blow to Round Lake when he picked off a desperation pass in the final minute and a half and returned it to their 17.

Once again we proved our ability to come back even though we played poorly for two and a half quarters. This victory put us on top in our conference with a 2-0 record. Let's hope we are in school to complete the rest of our undefeated record.

Safe Walking Rules for Boys, Girls

"Parents have a primary responsibility to teach their children safe walking rules," Director Jerry Klebe, Lake County Safety Commission stated today as he pointed out that nearly a third of all pedestrian deaths in Illinois were of children under 15 years of age. "Too many parents depend entirely upon the schools to give their young pupils instructions in the rules of safe walking," Director Klebe stated as he pointed out that pre-school children need much more instruction than they now receive in knowing and observing traffic safety rules for boys and girls.

Director Klebe suggested that parents teach the following traffic safety rules to their children until they become a rule of life: —Look and wait for approaching traffic before crossing streets.

—Cross streets only at marked crosswalks or intersections and obey traffic lights.

—Be especially careful and do not hurry when crossing wet or icy pavements.

—Never chase a playmate or a ball into the street.

—Never stand, play or run between parked cars. Drivers can't see you.

—Never make a game of dodging cars in traffic.

—Do not enter or leave a vehicle while it is moving.

—Obey all signals and instructions of the adult guards or school safety patrolmen.

—Never hook rides on automobiles, trucks or buses.

Remind your parents and friends to always obey the safety rules.

Emmons Wins Third Straight In Football

On Wednesday, Sept. 30, Coach John Kakacek's Emmons Grade School Football Team ran its string of victories to three in the Big Six Conference. On that night the Emmons Raiders defeated Millburn Grade School by a score of 21-0 on the Millburn football field.

In the first half Bob Dodd scored the first touchdown of the game. Dennis Thain ran for the extra point. Toward the end of the first half, Bob Dodd scored on a reverse play to bring the Emmons points to 13. John Kakacek,

Jr., scored the extra point, and the first half ended with the score Emmons 14 and Millburn 0.

During the second half Millburn tightened its defense and the Raiders scored only 7 points. Dennis Thain ran around the end to score the third Emmons touchdown, and Bob Dodd ran for the extra point. The game ended with Emmons winning 21-0.

The Emmons Raiders have now defeated Grass Lake School, Lotus School, and Millburn Grade School in the Big Six Conference. Emmons has games scheduled with the remaining two teams, Spring Grove Grade School and Newport Grade School, in the next two weeks.

Lake Kincaid Popularity Increasing

Fish and fishermen have taken a liking to Commonwealth Edison Company's Lake Kincaid about 200 miles south of Chicago near Taylorville, Ill. According to the utility, on a long holiday weekend up to 100,000 anglers have fished the lake adjoining Edison's \$145 million Kincaid generating station.

The man-made lake was built by Edison as a cooling pond for its 1,200,000-kilowatt Kincaid generating station. The lake provides the billion gallons of water required to cool the station's condensers when the plant is at full capacity. Electricity from the station, which can provide enough electricity for a city of one million persons, is transmitted to the Chicago area along two 345,000 volt lines.

Bud Stauffer, superintendent of the station, said that fish seem to grow faster, fatter and feed year-round in the "instant lake."

"The discharge of cooling water into Lake Kincaid has actually extended the fishing season at the lake," Stauffer reports. "Fish are active even in the winter, and late fall and early spring are prime fishing seasons here."

Kincaid Lake was created in 1964 by blocking a small three-fingered creek flowing into the Sangamon River. The lake, which formed from the backed-up water, covers 2,700 acres and has a 100-mile shoreline and an average depth of about 15 feet.

In 1965 the Illinois State Department of Conservation stocked the lake with a half-million largemouth bass fingerlings. State biologists now report there are over 20 species of fish in the lake including largemouth and yellow bass, perch, crappie, bluegill and catfish.

"Experience so far suggests that man and aquatic life may both benefit from warm water as long as it is kept within ecologically safe limits," Stauffer said.

Recently Edison donated 1,400 acres of land to the state along with easement rights on an additional 3,000 acres covering the surface and shoreline of Lake Kincaid. This summer the area became a state park officially known as "Sangchris State Park (from the two counties the park straddles—Sangamon and Christian.)"

When fully developed the area will have up to 300 Class-B campsites with fresh water, sanitary facilities, graveled car pads and electricity hookups. There is no admission charge to the park, but there will be a standard \$2 fee per site when the campground is opened. Boat launching facilities, picnic areas, trails and wildlife activities are also planned and already this fall several boy scout troops and girl scout groups will camp-out at Sangchris.

"The lake has also become a mecca for waterfowl," Stauffer said. "Residents nearby have reported sighting an estimated 5,000 Canadian geese and up to 15,000 ducks at the park. Since Sangchris is a wild-life refuge off-limits to hunters, ducks and geese are expected to flock to the area in increasing numbers in the future—along with fishermen."

Football Back In Sox Park

A new college football classic makes its Chicago debut with a contest between the legendary Tigers of Grambling College and Prairie A & M on Saturday, Oct. 3, at White Sox Park.

Predominantly black Grambling College has earned a national reputation under mentor Eddie Robinson, the winningest coach in U.S. College Division Football. Only Notre Dame has equalled Grambling's record in providing material to the pro ranks. Tiger alumni include pro standouts such as Willis Davis, Roosevelt Taylor, Frank Cornish, Ernie Ladd, and Buck Buchanan.

This year's individual standout is All American halfback Frank Lewis. Lewis has been described by Pittsburgh Steeler owner Art Rooney as "Another Gayle Sayers." Lewis is likely to be a first draft choice in this season's pro draft.

As if a college football dynasty is not enough, the October 3rd festivities will include pregame and half-time performances by the 135 member Grambling Tiger Band. The fast-stepping musical group is probably the most televised college band in existence.

Tickets for the event can be obtained at any Ticketron Outlet, Sox Park, Price-Rite Stores and Mini Markets. Game and ticket information can be obtained by dialing T-I-C-K-E-T-S.

October Is Proclaimed S & L Month

October, 1970 has been proclaimed Savings and Loan Month in Illinois by Governor Richard B. Ogilvie.

Appearing before the 91st Annual Convention of the Illinois Savings and Loan League on Sept. 22, the Governor signed the official savings and loan proclamation and praised the industry in Illinois for its vital role in the state economy.

"For the most part, 1970 will be recalled as a time in our history as a nation when uncertainty and social discord seemed to occupy a great deal of our time," said Governor Ogilvie. "Even during times like these, however, savings and loan associations continued to provide the ingredients that make up the American Dream—personal, financial independence and individual home ownership."

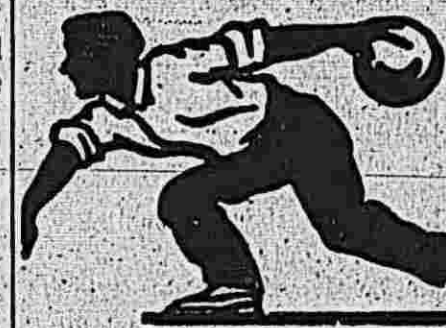

Savings and Loan Month has been a tradition for many years, and the Governor of the State came to the League Convention specifically to issue the proclamation.

The Illinois Savings and Loan Industry has combined total resources of \$13.7 billion—ranking Illinois as the second largest savings and loan state in the country. More than 4.6 million customers avail themselves of the services offered by the 571 savings associations in this state.

Art Judges Announced

Judges for "October Palette, the Best of 1970" have been announced by the Fine Arts Committee of Northern Illinois Gas Company and the Executive Board of the West Suburban Fine Arts Alliance.

Together, they are assembling works of all blue ribbon winners of 1970 Chicago and art fairs for a special showing in N-Gas general office, Route 59 and the East-West Tollway, near Aurora. The two-day show will be held Oct. 10 and 11.

The judges are: Jacob Burek, editorial cartoonist, Chicago Sun-Times; Natalie Immergluck, instructor, lecturer and art administrator of Chicago; and Estelle Fedelle, artist and teacher, also of Chicago.

More than 400 pieces of original art works in watercolors, oils and sculpture will be judged on Saturday, Oct. 10, and awards will be presented in a formal ceremony on Sunday, Oct. 11. The exhibit will be open to the public from 10 a.m. to 5 p.m. each day.

The exhibiting artists represent the sixteen art leagues of the Alliance, as well as leagues from the northern and southern suburbs and from out-of-state. Among the artists are gold medal winners of the Palette and Chisel, winners of the University of Illinois regional and state awards; and popular-vote winners at the Illinois State Fair.

Food Stamp Efforts Aids 379,000

Nearly 379,000 persons in all 102 Illinois counties received food assistance through the U.S. Department of Agriculture's Food Stamp Program during July, according to Dennis M. Doyle, Midwest regional director of the Food and Nutrition Service.

The total included 311,640 on public aid and 67,053 other low-income persons.

During July Illinois participants received over \$9-million worth of food coupons of which more than \$4-million were bonus coupons. This was a bonus average of \$10.69 per person.

In 642 Midwest projects, over 1.6-million persons were in the program during July. Total value of coupons was around \$38-million of which 53 per cent was in bonus coupons. The regional bonus average was \$12.63 per person.

By participating in the Food Stamp Program, low-income families can buy more food by exchanging the amount of money they normally spend on food for coupons worth more than they paid.

Recipients spend coupons just like cash, at authorized retail food stores, for any domestic food. They cannot purchase items like household cleansers, tobacco, or liquor with the coupons.

Doyle urges families not getting enough food to look into the program by contacting the local public aid office.
